Re: West Ridge Mine C/007/041
Permit Change to Include Catchment Structures
Response to Deficiencies, Task 3309

Dear Mr. Haddock:

Enclosed are ^{SIX} five (6 ea.) copies of an amendment to the West Ridge MRP to include a catchment structure in the C canyon drainage below the minesite. This submittal is a response to deficiencies, Task 3099. As you are aware from previous conversations, this structure is already in-place and operational. It was constructed as part of the abatement of Citation #10033, issued on January 29, 2009. Three other similar structures, constructed at the same time, have subsequently been reclaimed.

If you have questions or comments please contact me at (435) 888-4017.

Sincerely,

David Shaver
Resident Agent

Application for Permit Processing Detailed Schedule of Changes to the MRP

Title of Application:

Change to the MRP to include Catchment Structure A in the
C Canyon drainage below the mine, response to deficiencies Task 3099

Permit Number: C/007/041

Mine: WEST RIDGE MINE

Permittee: WEST RIDGE RESOURCES

Provide a detailed listing of all changes to the mining and reclamation plan which will be required as a result of this proposed permit application. Individually list all maps and drawings which are to be added, replaced, or removed from the plan. Include changes of the table of contents, section of the plan, pages, or other information as needed to specifically locate, identify and revise the existing mining and reclamation plan. Include page, section and drawing numbers as part of the description.
